Superintendent:

Local media expert Tim Brown will be assisting with the update and overhaul/layout of our website. PCBDD will provide content such as news, spotlights, testimonials, and service updates and/or changes. After discussions with the county prosecutor and county commissioners, PCBDD will be obtaining a storage building and vehicle storage building, along with new office windows that will be building wide. Tim Yenser has done a lot of advocating on our behalf so many thanks to him. FSS Budget policy will be presented next month. We are looking in to a sign for our department to place on the outside of the building to better guide our patrons and community members. NOWAC Annual Board Member Training will be held May 1st.
